## CAREER OBJECTIVE

Final-year B.Tech Computer Science Engineering student specializing in Artificial Intelligence & Machine Learning, with practical knowledge of HTML, CSS, JavaScript, and Python. Interested in frontend development and AI-based applications, with a strong willingness to learn new technologies and contribute to real-world projects. Seeking an entry-level software development or frontend development opportunity.

## TECHNICAL SKILLS

|                    |                                                        |
|--------------------|--------------------------------------------------------|
| <b>Programming</b> | Python, JavaScript                                     |
| <b>Frontend</b>    | HTML5, CSS3, JavaScript, Responsive Web Design         |
| <b>Tools</b>       | Visual Studio Code, Git, GitHub                        |
| <b>Other</b>       | Basic AI/ML concepts, Problem Solving, Web Development |

## PROJECTS

### PSM Events – Event Management Website | HTML, CSS, JavaScript

- Developed a responsive event management website for showcasing marriage and event planning services.
- Created sections for weddings, birthdays, romantic surprises, and other event services.
- Designed responsive layouts using HTML and CSS and added interactive functionality with JavaScript.
- Focused on creating a simple, attractive, and user-friendly experience.

### Personal Portfolio Website | HTML, CSS, JavaScript

- Created a personal portfolio to showcase skills, projects, education, and contact information.
- Implemented responsive design and interactive elements using JavaScript.
- Organized technical projects and skills into a clean professional layout.

### Python Mini Projects | Python

- Practiced variables, data types, conditions, loops, functions, lists, dictionaries, and user input.
- Applied Python fundamentals to solve basic programming problems.

## EDUCATION

**B.Tech – CSE (AI & ML)** [NVR College of Engineering and Technology], [Kakinada university] |  
[2023 – 2027 | CGPA: [8.00]

**Intermediate / 12th** [vignanasudha junior college] | [2021-2023] | Percentage: [6.9/699]

**SSC / 10th** [Z.P.H.S Amudala] | [2020-2021] | Percentage: [9.7]

## **CERTIFICATIONS**

- [Python Certification – Platform]
- [Frontend/Web Development Certification]
- [AI/ML Certification]

## **SOFT SKILLS**

Problem Solving • Communication • Teamwork • Time Management • Quick Learning • Adaptability

## **AREAS OF INTEREST**

Frontend Development • Web Application Development • Python Development • Artificial Intelligence  
• Generative AI
